PROJECTS

- Portfolio Website (HTML, CSS, JS)
- Demonstrated proficiency in HTML, CSS, and JavaScript through a range of web development projects, creating responsive, interactive, and visually engaging websites. My portfolio highlights advanced design skills and custom styling, showcasing my ability to deliver high-quality, efficient web solutions.
- E-Commerce Website (HTML, CSS, JS)
Developed a front-end E-commerce website to refine skills in HTML, CSS, and basic JavaScript. Focused on creating a responsive layout and implementing essential interactive features, this project highlights my ability to build functional, visually appealing web interfaces with foundational web technologies.
